

TERMS AND CONDITIONS OF SALE

1. PROCESS FOR PURCHASING PRODUCTS. These Terms and Conditions of Sale ("Terms and Conditions") govern the sale by the party referenced on the Confirmation of Order ("Customer") by Micron Japan, Ltd., or if applicable to any particular transaction, any of its subsidiaries or affiliates ("Seller"). Unless otherwise agreed to in writing by the parties, Seller's acceptance of this Purchase Order is conditioned upon, Customer's agreement to these Terms and Conditions stated herein and on Seller's Confirmation of Order, which exclusively govern and control and are in lieu of, replace and supersede any and all terms and conditions set forth in any documents issued or submitted by Customer, including, without limitation, purchase orders and specifications. ANY ADDITIONAL, DIFFERENT, OR CONFLICTING TERMS AND CONDITIONS ISSUED OR SUBMITTED BY CUSTOMER IN ANY MANNER WHATSOEVER AT ANY TIME ARE HEREBY REJECTED BY SELLER, AND SHALL BE WHOLLY INAPPLICABLE TO ANY SALE MADE HEREUNDER AND SHALL NOT BE BINDING IN ANY WAY ON SELLER. No waiver or amendment to these Terms and Conditions shall be binding on Seller unless made in writing expressly stating that it is such a waiver or amendment and signed by Seller.
2. PRICES. Except as otherwise specified by Seller in writing, all billings for products and services will be at the price indicated on the Confirmation of Order. Seller shall have the right to increase the prices at any time to reflect increases in manufacturing costs or for any additional duty, tariff, tax, or other charge imposed as a result of any action by the U.S. Government, any state or local government, or any agent or agency thereof or to compensate for exchange rate variations. For such different prices, Customer may upon five (5) days written notice and within five (5) days of the date of Seller's acknowledgement, cancel this order without liability.
3. PAYMENT. ALL PAYMENTS SHALL BE MADE IN UNITED STATES DOLLARS WITHIN THIRTY (30) DAYS OF THE DATE OF INVOICE; provided, however, that if shipments are delayed by Customer without Seller's prior written consent, payments shall become due on the date that Seller is prepared to make shipment. Time is of the essence. On any amounts not paid when due, Customer agrees to pay interest at the rate of 1-1/2% per month (18% per year) or, if such rate is in excess of the rate allowed by law, then Customer agrees to pay the highest rate allowed by law. In addition, Customer agrees to pay all costs of collection, including costs of litigation and reasonable attorneys' fees. Seller may accept partial payment in an amount less than the full amount of any invoice, but such acceptance shall not constitute a waiver of Seller's right to collect the balance or accord and satisfaction notwithstanding Seller's endorsement of a check or other instrument. If Customer does not comply with the payment terms, Seller may suspend further shipments and require new payment terms as a condition of further shipments. If Customer is adjudicated bankrupt or a petition for winding up or judicial management is made against Customer or corporate reorganization under any bankruptcy or similar laws is filed by or against Customer, or Customer makes a general assignment for the benefit of creditors or a receiver and/or manager for Customer is appointed, Seller may, to the extent allowed by applicable law, cancel any unfilled order. Each individual shipment shall be invoiced and paid as a separate and independent transaction. Customer hereby grants, assigns, conveys, mortgages, pledges, hypothecates and transfers to Seller and Seller reserves a purchase money security interest in the products sold to Customer, and in the proceeds thereof, until payment is made in full by Customer. In the event that Customer sells or otherwise disposes of the products sold to Customer without the prior written consent of Seller prior to full payment for these products being made to Seller, Seller shall be entitled to the entire proceeds of sale, which amount will be held by Customer in a separate bank account on trust for Seller. Customer agrees to execute financing statements and other instruments at Seller's request and Customer authorizes the filing and recording of such financing statements and other instruments. Alternatively, Seller may file a copy of these Terms and Conditions of Sale.
4. CREDIT. All shipments, deliveries, and performance of work covered by this sale shall at all times be subject to credit approval or review by Seller at its sole discretion. Customer shall provide such credit information, references, and assurances as are requested by Seller at any time. Customer authorizes such references to release credit information about Customer's accounts and warrants that all such information and assurances shall be true and correct. Customer agrees to indemnify and hold harmless Seller and their employees and agents from any and all liability, including all costs and reasonable attorneys' fees, resulting from the references and released information and the extension of credit hereunder. Seller, in its sole discretion and judgment, may discontinue credit at any time without notice.
5. TAXES. Stated prices do not include any customs duties, sales, use, value added, excise, goods and services, federal, state, local or other similar taxes. All such duties or taxes shall be paid by Customer, or, in lieu thereof, Customer shall provide Seller with an appropriate exemption certificate acceptable to the relevant taxing authority.
6. F.C.A. AND RISK OF LOSS. All shipments are F.C.A. Seller's shipping facility. Seller's liability for delivery shall cease and title and all risk of loss or damage shall pass to Customer upon delivery to carrier, per Incoterm 2010 rules, regardless of any provision for payment of freight or insurance or the form of shipping documents. Products held by Seller for Customer shall be at Customer's risk and expense. Unless otherwise specified by Seller in writing, Seller shall ship by the method which it deems most advantageous. Transportation will be collected, or if prepaid, will be subsequently billed to Customer. Claims against Seller for shortages shall be deemed waived if not made within ten (10) days after receipt of the shipment. Seller may modify the specifications of products designed by Seller, provided such modifications do not adversely affect the performance of the products.
7. ORDER CANCELLATION; RETURNS AND ADJUSTMENTS. Customer may cancel any Purchase Order without liability by providing Seller with at least thirty (30) days' written notice of cancellation prior to the scheduled shipment date. No delivered product may be returned by Customer for any reason without the prior written authorization of Seller. All returns shall be in the original packaging or equivalent. Any product returned to Seller without prior authorization for its return or proper packaging may be refused.
8. REMEDIES. If Customer fails to pay any sum when due, fails to accept any delivery of conforming goods, returns product without advance written authorization of Seller, or otherwise fails to abide by these Terms and Conditions, in addition to any other remedies allowed by law and under these terms, Seller may suspend deliveries while Customer is in breach, or cancel all further deliveries, and Customer shall remain liable for, as damages, the difference between the stated price of this sale and the average selling price obtained by Seller for product of like kind and quality for sales at or about the time of scheduled delivery.
9. FORCE MAJEURE. Seller shall not be liable for any delay in performance directly or indirectly caused by or resulting from acts of God, fire, flood, accident, riot, war, terrorism, epidemic, pandemic, government intervention, embargoes, strikes, labor difficulties, equipment failure, late delivery by suppliers or other difficulties which are beyond the reasonable control of Seller. QUANTITIES ARE SUBJECT TO AVAILABILITY. In the event of production difficulties or product shortages, Seller may allocate sales and deliveries at its sole discretion.
10. ORDER; FORECASTS; COMPONENT RESALE. Customer acknowledges that Seller has offered to negotiate sales of its different products in separate transactions, but Customer has specifically requested that Seller sell the set of products hereunder together. Seller recommends that Customer provide a forecast of Seller's intended product purchases for a twelve (12) month period on a rolling monthly basis. Customer's forecast are non-binding estimates for planning purposes. Customer shall not resell components, or remove components from a board for resale or otherwise, except upon express Seller's prior written authorization.

12. WARRANTY. SELLER WARRANTS ONLY THAT THE PRODUCT COMPLIES WITH SELLER'S SPECIFICATION SHEET FOR THE PRODUCT AT THE TIME OF DELIVERY, PROVIDED THAT DEVIATIONS FROM SPECIFICATIONS WHICH DO NOT MATERIALLY AFFECT PERFORMANCE OF SUCH PRODUCT IN THE SYSTEM AND CONFIGURATION IN OR FOR WHICH IT IS INITIALLY INSTALLED OR QUALIFIED BY CUSTOMER SHALL NOT BE DEEMED TO CONSTITUTE FAILURE TO COMPLY WITH SUCH SPECIFICATIONS. All warranties cover only defects arising under normal use in compliance with Seller's specifications and do not include malfunctions or failures resulting from misuse, malicious attack, intentional misconduct, hacking, row-hammer invasions abuse, neglect, alteration, modification, combination, failure by customer of qualification of product, or improper installation, or repairs by anyone other than Seller. Further, warranties do not cover nonconformity resulting from a custom product, Customer's design, specifications, or integration with Customer's system. No agent, employee or representative of Seller has any authority to bind Seller to any affirmation, representation or warranty relating to the products other than as specifically provided herein.

Seller expressly reserves all rights under such patent or patent claim.
20. CONFIDENTIAL INFORMATION. Seller shall have no obligation to hold any information received from Customer hereunder in confidence unless such information is covered by a separately negotiated non-disclosure agreement which is reduced to writing and signed by both parties. Unless covered by a separate non-disclosure agreement executed by the parties, Customer acknowledges that all information and materials that come into Customer's possession or knowledge in connection with past and future purchases of product from Seller and which is marked, identified, accepted as confidential or proprietary information or may be deemed confidential or proprietary by its nature or by the circumstances of its disclosure ("Confidential Information"), consists of confidential or proprietary information the improper disclosure or use of which will be damaging to Seller. Customer will not provide products to entities or individuals that are prohibited from receiving such products under applicable laws, including the laws of the United States. Customer shall conduct sufficient screening and due diligence to ensure the transaction does not involve any person or entity identified as a restricted or denied party pursuant to any embargo, sanction, debarment or denied party designation maintained by any country or government whose laws are applicable to this transaction, to the extent that designation prohibits the transaction. A current list of such prohibited entities under U.S. law is available at the following link: http://2016.export.gov/ecr/eg_main_023148.asp. 24. TERM; TERMINATION. These Terms and Conditions will remain in effect for the longer of (a) fulfillment of the order or (b) if Seller terminates the relationship with Customer for convenience. If Customer materially breaches these Terms and Conditions and fails to cure such breach within thirty (30) days after receiving such notice of the breach from Seller, Seller may terminate these Terms and Conditions. Seller may terminate these Terms and Conditions and uncompleted portions of any and all pending orders if Customer files for protection under bankruptcy laws, makes an assignment for the benefit of creditors, or a trustee or a similar officer is appointed for the other party or its assets. 25. ENTIRE AGREEMENT; SEVERABILITY; HEADINGS. These Terms and Conditions and any applicable nondisclosure agreement, (but expressly not including any terms and conditions of Customer's documents, including any Purchase Order) constitute the entire agreement with regard to this sale and expressly supersede and replace any prior or contemporaneous agreements, written or oral, relating to said sale. Seller and Customer are independent contractors of one another. This agreement shall be binding upon the heirs, successors, and permitted assigns of the parties hereto. If any provision of this agreement is adjudged to be unenforceable in whole or in part, such adjudication shall not affect the validity of the remainder of this agreement. Each provision of this agreement is severable from every other provision and constitutes a separate, distinct and binding covenant. No third party beneficiaries are intended or created unless specifically agreed otherwise in writing. A waiver of a breach of any term will not be construed as a waiver of any succeeding breach of that term or as a waiver of the term itself. A party's performance after that other's breach will not be construed as a waiver of that breach. Each party will, at its own expense, comply with all applicable governmental laws, statutes, ordinances, administrative orders, rules or regulations relating to its obligations and performance under this agreement. Headings are inserted solely for convenience of reference, shall not constitute a part of this agreement and shall not otherwise affect the interpretation hereof.
